18:00 onwards	<div>*Fringe Event*</div> <div>Film Screening - Vessel</div> <p>Vessel is a 2014 documentary film by Diana Whitten about the work of <i>Women on Waves</i>, a Dutch pro-choice organisation founded by the physician Dr Rebecca Gomperts.</p> <p>The film focuses on <i>Women on Waves</i> and follows Gomperts as she sails a ship around the world and provides abortions at sea for women who have no legal alternative. Through years of successes and setbacks, we witness her create an underground network of emboldened, informed activists who trust women to handle abortion themselves.</p> <p>We will be joined by Gomperts, who will give a presentation prior to the screening.</p> <p>www.vesselthefilm.com</p>
